**Intro**

CreveTec has built a shrimp farm in Ternat, only 15 km from Brussels, more than 100 km from the coast. This farm uses bioflocs to maintain water quality. The farm has a capacity to produce 10 ton of fresh *Litopenaeus vannamei* shrimp per year. All water is continuously recycled. The farm started operation in April 2015 and is in full operation since September 2015.
