

## Introduction to the CreveTope system: Intensive shrimp farming with bioflocs Visit to shrimp farm in Belgium

**Date: Wednesday 25 April 2018**

**Time: 08:30 till 18:00**

**Limit: maximum 25 persons – book early to ensure your place**

### Intro

CreveTec has built a shrimp farm in Ternat, only 15 km from Brussels, more than 100 km from the coast. This farm uses bioflocs to maintain water quality. The farm has a capacity to produce 10 ton of fresh *Litopenaeus vannamei* shrimp per year. All water is continuously recycled. The farm started operation in April 2015 and is in full operation since September 2015.
